

imageRUNNER ADVANCE DX C259/C359 Series

CONNECT SECURELY, TRANSFORM DIGITALLY

INNOVATIVE SCAN TECHNOLOGY AND SMART SOFTWARE WORK HAND-IN-HAND

Canon imageRUNNER ADVANCE DX smart multifunction are designed to help lower your running costs with technologies that reduce consumables and energy consumption. Built with Canon's imageRUNNER ADVANCE DNA, state-of-the-art technology and software work hand-in-hand to digitise, automate and optimise content-centric workflows.

Canon's imageRUNNER ADVANCE DX C259/C359 Series offers smart and secure A4 colour multifunction devices, maximising efficiency and providing 360° security for documents, devices and networks. A compact design delivers space-saving office flexibility and configurations without compromising on Canon's unique scanning technologies, which increase scan speed and accuracy for high-quality image processing. Native uniFLOW Online Express (uFOE) software harnesses the power of the cloud to centralise device management and enable cloud collaboration on documents.

Canon

imageRUNNER ADVANCE DX C259/C359 Series

CLOUD CONNECTIVITY

- Cloud-based software-as-a-standard uniFLOW Online Express (uFOE) offers a single integrated solution to increase device security and simplify print management
- Securely scan and print documents from anywhere, with enhanced cloud connectivity
- Re-usable print formats allow easy access to documents in the cloud
- Canon's MEAP platform optimises processes by integrating with document capture and output management solutions such as uniFLOW Online*
- Device offers native applications such as AirPrint, Mopria, Universal Print by Microsoft and Canon PRINT Business App

SECURITY

- Verify System at start up supporting Platform Firmware Resiliency (NIST SP800-193) and Automatic Recovery, SIEM support and McAfee Embedded Control analyse the device in real-time to detect and prevent external attacks
- TPM 2.0 (Trusted Platform Module) comes as standard and securely stores encryption keys, such as passwords
- Set up device authentication, two-factor authentication and device function restrictions for both device and cloud-based security measures

- Encrypted SSD storage extends data protection and is more resistant to vibration and shock for increased reliability
- Upgrade to uniFLOW Online* for enhanced secure printing, mobile printing, and guest printing from any device
- Data privacy across your network is ensured with IPsec, port filtering and TLS 1.3 & WPA3 support
- Step-up security further with easy-to-programme Security Navigator or let Canon's experts create best solution for your business environment

PRODUCTIVITY

- Print and scan up to 35 ppm and 190 ipm
- Automatically file documents with cloud-based Filing Assist from uniFLOW Online*
- Alleviate concerns for physical device operation, without compromising user experience, by applying** optional antimicrobial film to all common touch points
- Efficiently digitise documents with one-touch workflows and shortcut buttons on the Home screen
- Enable flexible hybrid working and minimise device interaction with continuous user experience through the Canon PRINT Business app
- Boost productivity with stapling of up to 50 sheets with the optional Instant Stapler accessory - small enough to fit on top of devices or desks, anywhere in the office, home or co-working space

SUSTAINABILITY

- Eco Recovery mode decreases power consumption to save energy and lower running costs
- Edit print settings at device-level for accurate scan output
- Quiet operation and reduced paper hitting sounds during scanning is enabled thanks to technologies such as digital registration and a smooth ADF internal structure
- Automated and digitised processes minimise paper usage for a paperless office
- Reduce waste with high-quality scanning, including digital deskewing and advanced stain-resistant glass

SERVICEABILITY

- Save costs and increase device uptime with innovative enhancements to frequently replaced hardware components as part of our evolving imageRUNNER ADVANCE DX portfolio
- Reduce technician visits with quick, safe, and accurate user replacement of consumable parts
- Long-life parts reduce the frequency of replacement while screw-free fastenings allow parts to be replaced faster and more efficiently

*uniFLOW Online is available as a Device Based Cloud Subscription for Document Output and Capture Management. Based on business needs, users can upgrade to uniFLOW Online to unlock a range of advanced benefits, including: Increased security with user authentication methods. Personalised workflows to enhance productivity. Reduced wastage by releasing jobs at the device. An intuitive cloud dashboard to leverage real-time data. Greater control over access and usage to reduce print costs.

**C359P Printer model requires optional IC Card Reader unit

NOTE - Certain features are only enabled with the combination of IR ADV DX and uniFLOW Online

QUICK FACTS

• **Format:** Colour A4

• **Paper Supply Capacity (Max):** 2,300 sheets

• **Warm-up time:** 4 seconds or less

• **Finishing Capabilities:** Collate, Group, Offset*, Staple* (*only with optional Finisher)

• **Supported File Types:** PDF, EPS, TIFF, JPEG, and XPS

• **Print speed:** 25-35 ppm (A4)

• **Scan speed:** 190 ipm (A4)

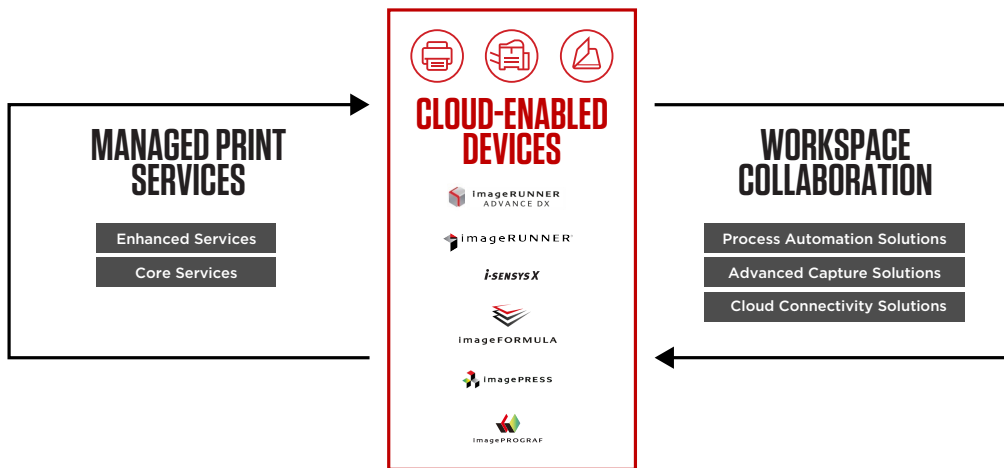

• **Print Languages:** UFRII, PCL6, Adobe® PostScript 3™

• **Print Resolution:** 1,200 x 1,200

- Enhanced cloud connectivity enables collaborative document access from anywhere, with re-usable formats for easy handling
- Accurate, high-speed scanning is facilitated by Canon's innovative new paper feeding mechanism and stain-resistant glass
- Efficient workflow automation means documents are intuitively scanned, searched and stored with applications including OneDrive, SharePoint, Concur and Dropbox
- Verify System at Start-up, McAfee Embedded Control software alongside other security features offer complete peace of mind and a 360° protection covering document, network and device
- Simplified print management is enabled with centrally-managed print settings and device usage analysis, provided through native uniFLOW Online Express (uFOE)
- Quiet ADF operation, low energy consumption and reduced emissions lower environmental impacts
- Seamlessly integrate into all-sized offices with the space-saving design choice of a desktop or floor-standing unit

TAILORED SOLUTIONS TO MEET EVERY CHALLENGE

Canon's Digital Transformation Services (DTS), bring together our leading hardware and software into an integrated technology ecosystem, designed to support your transformation journey. This offering combines Managed Print Services and Workspace Collaboration solutions, to help you gain transparency and control over the entire document lifecycle.
