

## imageRUNNER ADVANCE DX 717/617/527 Series

# CONNECT SECURELY, TRANSFORM DIGITALLY

INNOVATIVE SCAN TECHNOLOGY AND SMART SOFTWARE WORK HAND-IN-HAND

The future of business is digital. Canon imageRUNNER ADVANCE DX is a new generation of smart multifunction devices, designed to support and accelerate every step of your digital transformation. Built with Canon's imageRUNNER ADVANCE DNA, state-of-the-art technology and software work hand-in-hand to digitise, automate and optimise content-centric workflows.

Canon's imageRUNNER ADVANCE DX 717/617/527 Series offers smart and secure A4 mono multifunction devices with all-in-one toner cartridges; maximising efficiency, minimising downtime and delivering 360° security. Innovative scanning technology ensures accurate, streak-free scanning at speed, while uniFLOW Online Express (uFOE) cloud software offers streamlined device management and enhanced cloud connectivity as standard. Versatile design supports flexibility and space saving, with counter-top or floor-standing placement suitable for offices with small footprints and high productivity needs.

# imageRUNNER ADVANCE DX 717/617/527 Series

## CLOUD CONNECTIVITY

- Scan and print documents from any location with enhanced cloud connectivity, offered with re-usable print formats for ease of use
- Cloud-based software-as-standard uniFLOW Online Express offers a single integrated solution to enhance device security and simplify print management
- Canon's MEAP platform optimises processes by integrating with document capture and output management solutions and various applications such as uniFLOW Online\*, AirPrint, Mopria, Universal Print and Canon PRINT Business

## SECURITY

- Ensure information confidentiality and security across the network with IPsec and firewall functionality
- Set up device authentication, two-factor authentication and device function restrictions for both device and cloud-based security measures
- Encrypted PDF scanning ensures document security during scanning process
- Upgrade to uniFLOW Online\* for enhanced secure printing, mobile printing, and guest printing from any device

- Combination of Verify system at start up and McAfee Embedded Control software ensures device functionality is never compromised by malware or firmware tampering

## PRODUCTIVITY

- Fast, high-quality scanning at 190 ipm (A4) with expansive connectivity options
- Automated scan, store and search workflows boost efficiency and reduce human error
- Device management tools such as iWEMC provide centralised control over the device fleet and print management
- Automatic removal of blank pages when scanning minimises process times
- Reusable formats, automatic file names from barcode data, Office format conversions, and cloud and device OCR with IRIS enable easy handling and fast document processing
- Easily manageable all-in-one toner cartridge replacement, reducing downtime and enabling continuous usage
- Suitable for offices with high-productivity needs, such as governmental bodies, legal firms and real estate agencies

## SUSTAINABILITY

- Edit print settings at device-level for accurate scan output
- Quiet operation and reduced paper hitting sounds during scanning is enabled thanks to technologies such as digital registration and a smooth ADF internal structure
- Automated and digitised processes minimise paper usage for a paperless office
- Reduce waste with high-quality scanning, including digital deskewing and advanced stain-resistant glass

## VERSATILE DESIGN

- Flexibility with the option of counter-top or floor-standing placement
- Full security functionality without the need for an additional attachment thanks to built-in features like the IC Card Reader for user authentication
- Suitable for offices with small footprints

\*uniFLOW Online is available as a Device Based Cloud Subscription for Document Output and Capture Management. Based on business needs, users can upgrade to uniFLOW Online to unlock a range of advanced benefits including: increased security with user authentication methods; personalised workflows to enhance productivity; reduced wastage by releasing jobs at the device; an intuitive cloud dashboard to leverage real-time data; greater control over access and usage to reduce print costs.

NOTE - Certain features are only enabled with the combination of IR ADV DX and uniFLOW Online

## QUICK FACTS

-  **Format:** Mono A4
-  **Paper Supply Capacity (Max):** 3,300 sheets
-  **Warm-up time:** 4 seconds or less
-  **Finishing Capabilities:** Collate, Group, Offset\*, Staple\* (\*only available with Finisher models. Offset available with upper tray)
-  **Supported File Types:** PDF, EPS, TIFF, JPEG, and XPS
-  **Print speed:** 52-71 ppm (A4)
-  **Scan speed:** 190 ipm (A4)
-  **Print Languages:** UFR II, PCL6, Adobe® PostScript 3™
-  **Print Resolution:** 600 x 600 to 1,200 x 1,200 (equivalent)

- Enhanced cloud connectivity enables collaborative document access from anywhere, with re-usable formats for easy handling
- Accurate, high-speed scanning is facilitated by Canon's innovative new paper feeding mechanism and stain-resistant glass
- Efficient workflow automation means documents are intuitively scanned, searched and stored with applications including OneDrive, SharePoint, Concur and Dropbox
- McAfee Embedded Control software, alongside other security features, offers complete peace of mind and 360° protection covering document, network and device
- Simplified print management is enabled with centrally-managed print settings and device usage analysis, provided through native uniFLOW Online Express (uFOE)
- Quiet ADF operation, low energy consumption and reduced emissions lower environmental impacts
- Easy, simplified maintenance is enabled with the all-in-one toner cartridge
- Versatile design with counter-top or floor-standing options to fit in any space

## TAILORED SOLUTIONS TO MEET EVERY CHALLENGE

### CORE

Perform routine office operations safely and with ease, with minimum hardware, embedded software including uFOE and services offering complete device maintenance and support.

### HARDWARE

### SERVICES

### SOFTWARE

### BESPOKE

Choose tailored solutions for any business need by removing print management burdens. Consult with Canon experts to manage your extensive requirements, with bespoke solutions and Managed Services options.

### ENHANCED

Boost performance with enhancements such as finishing options and security add-ons e.g. Data Removal Service. Choose solutions to expand cloud capabilities with uniFLOW Online including advanced scanning directly with your Google account.
