

imageFORMULA DR-S150 FOR EDUCATION

Day-to-day School Management

Improve student experience and gain control over your digitisation of documents such as:

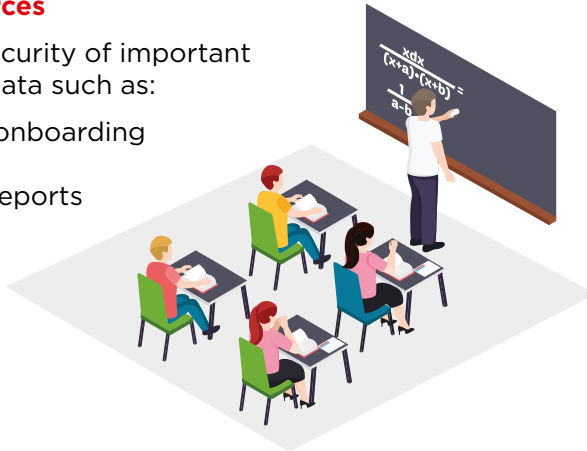

- Policy documents
- Agendas
- Inspection documents
- Development plans

Canon's DR-S150 can help you create seamless staff and student experience. Transform your data process by digitising your documents in an efficient and cost-effective way.

Human Resources

Improve the security of important and personal data such as:

- Pupil & staff onboarding
- Contracts
- Attendance reports
- Exam results

Digital Mailroom

Ensure the right people receive the right messages at the right time, whether it be:

- Maintenance letters
- Parent letters
- Invoices
- Bank statements

To find out more about how you can efficiently manage your school's data, contact scanners@cuk.canon.co.uk
